

And that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus.

All Scripture *is* given by inspiration of God, and *is* profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.

# Scripture Check

2 Timothy 3:15-17

Seeing God in Everything

Whenever I write, I always use spelling and grammar checkers to help proofread my work. Whether I write devotionals, work materials, or personal documents, I want to ensure the contents are accurate by alerting me to grammatical and spelling errors. Some advanced applications suggest ways to change the wording and rephrase a sentence.

These apps allow you to accept the changes or dismiss their suggestions, keeping the sentence as is. However, there are times when I **always** dismiss their suggestions. And that is when it comes to the word of God. God's word is not just infallible; it is true, life-changing, and needs no altering.

*"The grass withers, the flower fades, but the word of our God stands forever."* **Isaiah 40:8**

When I include scriptures in my devotional writings, Grammar Check sometimes proposes ways to improve the existing contents of God's word. It could be as simple as adding a comma or a complete reconstruction. Regardless of the proposal's simplicity or complexity, I leave the scripture as is.

As believers, we must stand firm and reject worldly suggestions to alter God's word, which could hinder our spiritual growth. Even the slightest change to His word can distort His message and teachings on how we, as Christians, should live. No matter how appealing the proposal may seem, we must never stray from God's word and its true essence.

*"You shall not add to the word which I am commanding you, nor take away from it, that you may keep the commandments of the Lord your God which I command you."* **Deuteronomy 4:2**

As the Author, God has granted us exclusive copyrights and privileges to reproduce and copy His characteristics, values, and likeness. He doesn't want us to change the contents of His word, but that the contents of His word will correct and change us.

*Dear Lord, thank You for granting us the copyrights to Your word. We are grateful that we can use Your word as a Scripture Checker to transform and conform our lives.*

And that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus.

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.
