

Music playlists are popular today. A playlist is simply a list of songs you save on an app or computer, allowing you to listen to them whenever you want. You can play these songs on your phone, computer, tablet, or other devices using various apps and software. You also have the ability to share your playlist with others.

With Valentine's Day nearing, many people create playlists of love songs. I recall one Valentine's Day at work when the satellite station played classic love songs all day. It triggered one of my *Seeing God in Everything* moments. Although the songwriters wrote about human love, some song titles and lyrics made me think about God. I began matching those lyrics with Bible verses. Then I transformed the lyrics into a Scripture Playlist that reflects the greatest love of all—the love that comes from God.

Here is a sample from my playlist inspired by various songs ...

"*Endless Love*"—**Jeremiah 31:3**.

God loves us with a love that is everlasting, unconditional, and unchanging.

"*Ain't no mountain high enough, Ain't no valley low enough, Ain't no river wide enough to keep me from getting to you*"—**Romans 8:38-39**.

Nothing can separate us from God's love, not anything.

"*I can fly higher than an eagle, for you are the wind beneath my wings*"—**Isaiah 40:31**.

When we wait on the Lord and trust in Him, He gives us the strength to rise with wings like eagles above our circumstances.

"*If This World Were Mine I'd Give You Anything*"—**Psalms 24:1**.

The earth and everything on it belong to the Lord, and God's provisions are unlimited.

"*Through the years, you've never let me down*"—**Psalms 37:25**.

Through disappointments and victories, cloudy days and sunny days, God remains with us.

Each day provides an opportunity to reflect on scriptures, and songs are just one example. We can think of scriptures when we see a rainbow with vibrant colors after a storm, a determined child taking their first steps, a proud mother goose safely guiding her little ones across the street, and a man offering his seat to a woman on a crowded train. You can gather moments like these and create a playlist for the Lord. What can you add to your playlist today? If you're inspired to share your scripture playlist, email it to me. I'd love to hear from you.

*Dear Father, thank You for giving us countless reasons to think about You.*
